CAREER OBJECTIVE

Exceptionally creative and dependable Entry Level Web Developer with a stellar customer service record and superb work ethic. Broadly and deeply knowledgeable in a wide variety of computer languages as well as the principles and techniques of website construction and maintenance. Excited about the prospect of joining the CRM team and learning new cutting edge technologies.

WORK EXPERIENCE

IT support specialist

LexisNexis Risk Solution

Oct 2008 - current / Boca Raton, FL

- Built & maintained IT support tooling using Microsoft PowerShell scripting language.
- Created and maintain Operating system builds for workstations and network clients via Microsoft SCCM.
- Created non-technical descriptions of operations and workflow to enable non-coding team to function with minimal interruption.
- Provide technical support for 600+ users across multiple platform and devices.

PROJECTS

Movie Search

- Build movie website that searches an external TMDB Movie API to get movie/tv shows details utilizing HTML/CSS and Vanilla JavaScript.

Furniture Website

- Build front-end website for fictitious online furniture store utilizing React.js.
